# NEWSNIGHT EMILY SKINNY DIPPING BAN

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

NEWSNIGHT host Emily Maitlis has been warned about going NUDE in public at a London open-air swimming club.

Members of the Serpentine Swimming Club, including the 51-year-old BBC telly anchor, have been told off about "intentional public nudity" at the Hyde Park venue.

## 160,000 rise in workers on payrolls

THE number of UK workers on company payrolls surged by 160,000 last month and there was no sign of a jump in redundancies despite the furlough support scheme coming to an end.

The Office for National Statistics (ONS) said payroll workers jumped by 0.6% between September and October to 29.3 million – “well above” levels seen before the pandemic.

The unemployment rate also fell once more to 4.3% between July to September, down from 4.5% between June and August.

Chancellor Rishi Sunak (above) said: “We know how vital keeping people in good jobs is, both for them and for our economy, which is why it’s fantastic to see the unemployment rate falling for nine months in a row and record numbers of people moving into employment.”

## ‘Tough winter’ ahead for NHS

THE head of the NHS in England said the health service is facing a “really tough winter”.

Amanda Pritchard told BBC Radio 4’s Today programme: “I would just say the best thing that the public could do to help us really is just to take out that offer of a vaccination.”

“If they are due a booster, please take it. But equally, the evergreen offer is there so anyone who’s not had a first or second jab can still access services any time. “And the flu jab is also an important way of just protecting yourself.”

# YOU STUPID RUSSIAN BASTARDS!

## Dunderhead Ivans endanger space station with satellite blast

RUSSIA has been slammed for conducting a “dangerous and irresponsible” missile test that threatened the lives of the crew aboard the International Space Station.

The test blew up one of Russia’s own satellites, creating debris that forced the ISS crew to shelter in capsules.

The station currently has seven crew members on board – four Americans, a German and two Russians.

“The Russian Federation recklessly conducted a destructive satellite test of a direct ascent anti-satellite missile against one of its own

satellites,” US state department spokesman Ned Price said.

“The test has so far generated over 1,500 pieces of trackable orbital debris and hundreds of thousands of pieces of smaller orbital debris that now threaten the interests of all nations.”

NASA administrator Bill Nelson said he was outraged at the incident.

“With its long and storied history in human spaceflight, it is unthinkable that Russia would endanger not only the American and international partner

astronauts on the ISS, but also their own cosmonauts as well as Chinese “taikonauts” aboard China’s space station, he said.

A NASA insider said: “This was a typically dumb move by the dunderhead Russians. What can you expect from a nation that spends most of its time blind drunk.”

“These assholes are the stupidest people on the planet.”

The wayward material, which passed by the ISS without incident, appears to have come from Kosmos-1408.

The Russian spy satellite, launched in 1982, had ceased working many years ago.

## Hospitals to check security after bombing

NHS organisations have been asked to review their security arrangements after the UK threat level was raised.

A letter has been sent to organisations, including hospital trusts and GPs, asking them to make sure all staff are aware of their incident response plans and urging steps to be taken to “mitigate identified risks”.

It comes in the wake of the explosion outside Liverpool Women’s Hospital on Sunday.

Suspected terrorist Emad Al Swealmeen (above) blew himself up with a homemade bomb in a taxi.

NHS England boss Amanda Pritchard told BBC Radio 4’s Today programme: “We have written out to the NHS, as we always do when the terror level changes just to make people aware of that.”

“That will trigger of course people to look again at their local security arrangements.”

“That’s completely normal, it is something that the NHS keeps under constant review because that confidence that patients need to feel that they can come in and out of hospitals in safety is paramount.”

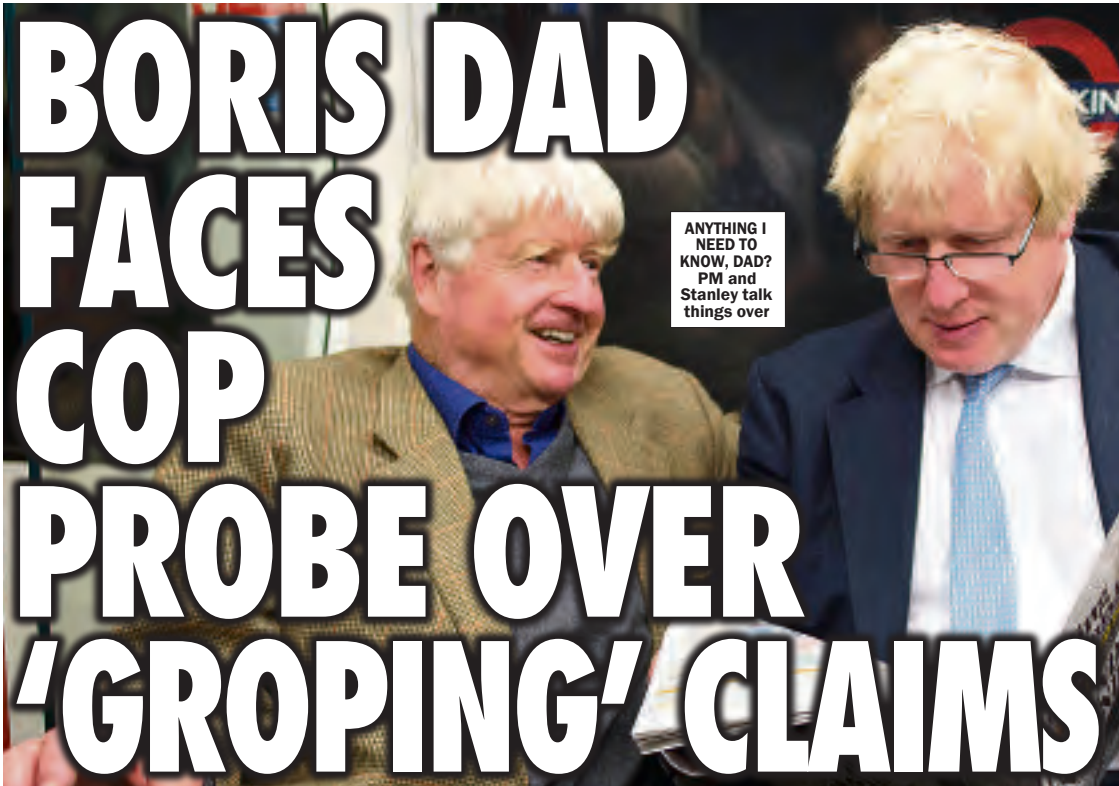

## Ashworth sorry for blast ‘condolences’

A LABOUR frontbench MP has apologised for sending his ‘condolences’ to the family of the suicide bomber who blew up a taxi outside a hospital in Liverpool on Remembrance Sunday.

Shadow Health Secretary Jonathan Ashworth told Sky News: “Absolutely shocking that that would happen anywhere, but particularly outside a women’s maternity hospital.”

“Obviously we pay our respects and send our condolences to the family of the man who lost his life.”

Amid uproar on social media, the MP for Leicester South apologised on Twitter, insisting he had “misread the news ticker” and had “thought a member of the public had now died”.

# BORIS DAD FACES COP PROBE OVER ‘GROPING’ CLAIMS

ANYTHING I NEED TO KNOW, DAD? PM and Stanley talk things over

**A GOVERNMENT minister has suggested there may be a police probe into groping allegations made against Prime Minister Boris Johnson’s father.**

In an interview with Sky News, Tory MP Caroline Nokes accused Stanley Johnson of groping her at the Conservative Party conference in 2003.

Asked about the allegations, Home Office minister Damian Hinds told Times Radio: “I can say that, overall, in terms of the safety of women and girls, and being free from harassment wherever they are, at home, at work, in the street, and online,

this is an absolute top priority for the Government.

“If there is an investigation to be had, if that is the appropriate course of action, then of course that will happen.”

Former minister Mrs Nokes, 49, said the elder Mr Johnson told her she has ‘a lovely seat’ during the alleged incident.

The chairman of the Women and Equalities committee was at the time a prospective parliamentary candidate for Romsey and Southampton North.

She said: “I can remember at the time the Conservative

‘BOTTOM SMACK’: Mrs Nokes

candidate for Teignbridge in Devon, smacking me on the backside about as hard as he could and going, ‘Oh, Romsey, you’ve got a lovely seat’.

Mrs Nokes then said the

candidate was Mr Johnson Sr, 81, who failed to get elected.

She added: “I would have been in my early 30s, so old enough to call it out. I now regard it as a duty, to call out wherever you see it.”

Responding to Mrs Nokes’ allegation, Mr Johnson Sr said: “I have no recollection of Caroline Nokes at all. But there you go. And no reply... good luck and thanks.”

Now another woman has claimed she was also inappropriately touched by Mr Johnson Sr.

New Statesman journalist Ailbhe Rea said: “Stanley Johnson also groped me at a party at the Conservative conference in 2019.”

## CHINA ‘PLAYING WITH FIRE’ WARNING TO JOE

CHINESE President Xi Jinping used a virtual summit with Joe Biden to warn that encouraging Taiwanese independence would be “playing with fire”.

The talks are the most substantial since Mr Biden became US President in January.

China sees the self-ruled island of Taiwan as a breakaway province to one day be reunified with the mainland.

The US has pledged to help Taiwan defend itself in the event of an attack.

China’s state-run Global Times

said Mr Xi blamed recent tensions on “repeated attempts by the Taiwan authorities to look for US support for their independence agenda as well as the intention of some Americans to use Taiwan to contain China.”

“Such moves are extremely dangerous, just like playing with fire. Whoever plays with fire will get burnt,” it said.

The White House said Mr Biden “strongly opposes unilateral efforts to change the status quo or undermine peace and stability across the Taiwan Strait”.

### ALL lovely Liz Hurley wanted to do was promote her new comedy series.

But the trolls that lurk in the comments section of the *Daily Mail* online cannot miss any opportunity to spout their vile filth.

Liz, still remarkably fighting fit at 56, was pictured in a still from new Netflix movie *Father Christmas is Back*, while taking a shower.

The English rose stars alongside *Frasier* actor Kelsey Grammar, *Men Behaving Badly* beauty Caroline Quentin, and *Monty Python* and *Fawlty Towers* legend John Cleese.

But none of this seemed to be of any interest to the fiends viewing the *MailOnline* website.

Poster Ismellarat, who was claiming to be "somewhere" in the United States, wrote: "I bet she could curl your toes and bat your balls right out of the park."

And My Knees Hurt commented: "If she was my mom I'd be peeking through that shower door every day."

Brighton-based *Mail* reader Wokesrjoke said Liz looked like she was taking one "right up the chute".

### Anal

And Barry Gibbs Hair Wig posted: "Looks like Liz is getting a large portion of blue vein up her dinner dumper," as he suggested the actress was enjoying a spot of anal sex.

A VIEWER of *This Morning* caused a few red faces when she rang in asking celeb chef Gino D'Acampo for advice about what to serve at a hen party.

The phone-in was part of a feature about festive food hosted by Phillip Schofield and Josie Gibson.

Gino (above) suggested the lady serve up toad-in-the-hole at the hen party or, as he called it: "Sausage in the hole."

To which the caller replied: "Sausage in the hole? Perfect for a hen party!"

The saucy comment thrilled Twitter users as Amy Bawden tweeted: "Absolutely loving #ThisMorning today! The call in with @Ginofantastico especially made me giggle... 'sausage in the hole'."

**FIRST they sent their soldiers to steal the Falklands, an island chain granted by the Lord God Almighty to the British Empire.**

And when the Argies were soundly thrashed they plotted revenge by sending a cheating midget on to the field in the 1986 World Cup.

That midget, Diego Maradona, scored a "goal" in the Argentina v England quarter final, ending the Three Lions' run.

### Bloated

But it was not a goal at all. It was a foul.

Maradona punched the ball into the net. The conceited dwarf said it was the "Hand of God", adding blasphemy to his long list of crimes.

Maradona died last year, broken and bloated. Now a biopic has been made of his life.

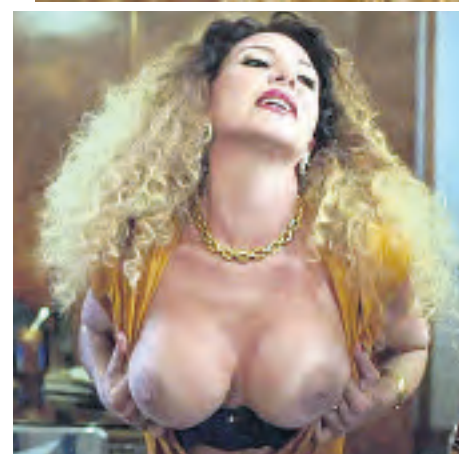

On Amazon Prime, *Maradona: Blessed Dream* tells his story.

The show does not shy away from Maradona's fornication and in one scene, he is seen clearly enacting the unholy vice of sodomy with a deluded female partner.

A critic said: "His Hand of God f\*\*ked every England fan in the arse - he was clearly a fan of that sort of thing."

The series will begin on ITV on Sunday.

*Emmerdale's* Danny Miller, Olympic gold diving medallist Matty Lee, Paralympic champion Kadeena Cox, Saturdays singer Frankie Bridge and Radio 1Xtra DJ Snoochie Shy will also vie to be king or queen of the jungle.

Gwrych Castle has been closed to the public to allow TV producers to prepare for the new series.

## Perseverance is the biggest word of 2021

"PERSEVERANCE" is the word of the year for 2021.

Look-ups for the term spiked after the NASA Perseverance Rover made its final descent to Mars on February 18.

It has been looked up on the Cambridge Dictionary website more than 243,000 times globally during 2021.

Perseverance is defined by Cambridge Dictionary as "continued effort to do or achieve something, even when this is difficult or takes a long time".

Wendalyn Nichols, Cambridge Dictionary publishing manager, said it "made sense" that look-ups for the word spiked after the descent of Nasa's Mars Rover.

She said: "Just as it takes perseverance to land a rover on Mars, it takes perseverance to face the challenges and disruption from COVID."

## Ireland's just knocker-out!

**NOW** them's big milkers! Stunning Ireland Baldwin gave a treat, sorry treat, to her 681,000 Instagram followers by posting a close-up photo of her lovely busters online. The snap was one of a set showing the 26-year-old

fashion model and actress daughter of Alec Baldwin and Kim Basinger relaxing at the poolside in a revealing orange top. A fan said: "What I would do for just a minute with my face buried in those beauties! Sproing!"

## BBC star Emily Maitlis once said she never felt sexier than when emerging from the icy waters of the lake in London's Hyde Park.

But dog walkers in the Royal park apparently don't feel quite the same way about members of the Serpentine Swimming Club.

Emily and others, who get up at the crack of dawn to plunge into the murky lake, have been issued a stern rebuke over public nudity from the club president, Alan Mitchell.

The missive, sent to members including Tony Blair's former right-hand man Alastair Campbell and ex-Olympic sprint champ Linford Christie, was given the headline, in capital letters for emphasis: "WARNING: DRESS CODE & PUBLIC NUDITY."

The letter reads: "We pride ourselves on being a family-friendly swimming club and observe the rules and regulations of Swim England as far as safeguarding, health and safety."

There is NO SUGGESTION that Emily herself has been spotted in the altogether by the public.

Members are likely to complain that it is difficult NOT to commit public nudity after a swim at the moment.

"They've shut the changing rooms due to COVID," a member said. "There has been nowhere to change except in public since the pandemic started."

Those who take to the cold lake have to change outside on the bank, as members of the public stroll past.

Complaints "As such, we would like to remind all our members to dress appropriately while at the Serpentine during club hours. Unfortunately, we have received complaints about intentional public nudity around the showers and on the beach, which is not acceptable and might show our club in a negative light."

"It also makes other members uncomfortable, which is not conducive

## MORE OBESE KIDS AFTER LOCKDOWN

OBSESITY levels among younger children rose significantly after lockdown, new figures have shown.

Data from NHS Digital shows that almost one in seven children start primary school overweight.

And more than a quarter are obese by the time they finish primary school.

Figures from the National Child Measurement Programme, which measures obesity prevalence among school-aged pupils in reception class and

Year 6, show obesity rates increased in both year groups by around 4.5 percentage points between 2019/20 and 2020/21, the highest rise since the programme began.

Among reception-aged children, those aged four and five, the rates of obesity rose from 9.9% in 2019/20 to 14.4% in 2020/21.

And among Year 6 pupils, those in their last year of primary school aged 10 and 11, obesity prevalence increased from 21% in 2019/20 to 25.5% in 2020/21.

## ABBA: porno image did our Swedes in!

POP legend Björn Ulvaeus says his group ABBA were mistaken for PORN STARS due to prejudice towards Swedish entertainers back in the Seventies.

The group (above) shot to fame in 1974 after winning the Eurovision Song Contest with their hit *Waterloo*.

But Björn recalled the difficulties they faced early on, adding: "We sent tapes to record companies in the UK and US and other places but nothing came of it."

"The only one who released any ABBA music before *Waterloo* was Playboy Records, who released a song called *People Need Love*."

"On the label it said Björn and Benny and Swedish girls. It was in the soft porn period and they assumed anything coming out of Sweden had to do with that."

ABBA, who are also made up from Agnetha Faltskog, Anni-Frid Lyngstad and Benny Andersson, recently released *Voyage*, their first album in more than four decades.

## 'Ashamed' police ditch New York for pro-cop town

POLICE are fleeing New York City as the Big Apple turns on its Finest in the wake of BLM protests.

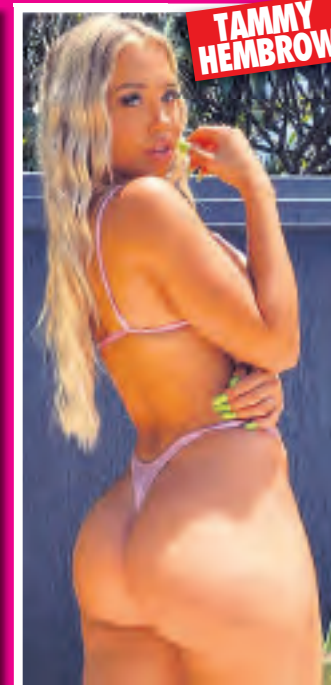

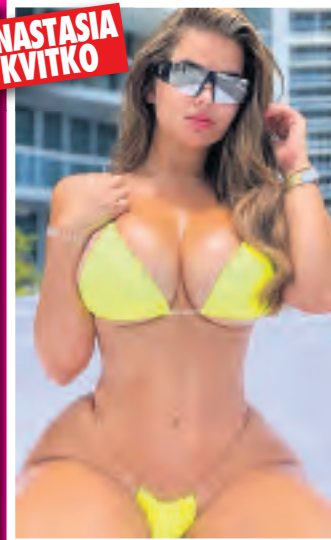

And they're heading to work in towns where locals still like cops.

More than a dozen officers have ditched New York to join the force in a small Florida city, part of a nationwide trend of disgruntled cops finding greener pastures in pro-police communities.

Lakeland, a community of 108,000 people east of Tampa, mounted a social media campaign targeting NYC cops earlier this year.

A group of 14 former Finest have since moved to Lakeland in the past year, 12 of them wooed over the past two months.

Former NYPD officer Matthew Spoto said: "In New York, it was almost like I was ashamed to be a law enforcement officer."

TELLY star Sharon Osbourne is convinced ghosts MASTURBATE.

Her bizarre theory came in a new episode of *The Osbournes Want to Believe*, after she watched a video of a violently-shaking door handle in a hotel bathroom, in which spooky sounds could also be heard.

Speaking to her son Jack about what was happening in the clip, the 68-year-old (above) said: "That sounded like there was a ghost in there masturbating."

Jack agreed that there was something in the room as he added: "I do not know possibly what that could be, if not a ghost. The wind cannot do that."

Sharon's rocker hubby, Ozzy, admitted he was relieved not to be in the room at the time, adding: "If I had that happening to me, I'd be out the f\*cking room."

Despite her bizarre claim after seeing the creepy video, Sharon previously insisted she doesn't believe in either UFOs or ghosts.

## Kidnap suspect wields sword at cops in standoff

A MAN is accused of holding a woman captive in his home and torturing her by depriving her of food and sleep for nearly two weeks.

Garman Cunningham, 50, was taken into custody following a dramatic standoff in which he threw objects and fired a shot at cops from his home in West Valley City, Utah, then came out with a sword. Officers then used "less lethal force" on him, prompting him to drop the blade and flee on foot.

A police dog caught up with him and was able to bring him to the ground.

Police said that they responded to the home on a tip that a woman had been held hostage there since November 1.

Cunningham has been booked into Salt Lake County Jail on numerous offences, including aggravated kidnapping and assaulting an officer.

# I DID **NOT** HAVE SEX WITH A DOG!

LAWSUIT:  
Emily Willis

## Battle of the porn stars as sex stunna sues rivals

**A PORN star has filed a lawsuit against two grot film rivals who claimed she was filmed engaging in sex acts with a DOG.**

Emily Willis, real name Litzy Lara Banulos, alleges in her suit filed against Gianna Dior and Adria Rae that they damaged her future career prospects by falsely accusing her on social media of taking part in bestiality.

"There was a lot of rumour, speculation and innuendo about the identities of the performers within the industry, and on social media," says Willis's suit, filed in Los Angeles Superior Court. "It was a scandal, and a highly salient one, with obvious potential to destroy careers."

### Scandal

Dior, real name Emily Katherine Corroero, and Rae, real name Kiersten Vanbelkum, allegedly both tweeted that Willis was one of the women featured in the video circulating online.

The suit alleged that the women "had much to gain" by drawing Willis into the scandal.

**By BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Willis, who won female performer of the year in January at the Adult Video News Awards – considered the Oscars of porn – has 723,000 Twitter followers, while Dior and Rae have 414k and 168k respectively.

"Participants in the adult entertainment industry are heavy users of Twitter, which they use to communicate among themselves and with the public," the suit adds.

Willis claimed that

after the pair tweeted the false accusation, she received calls from several producers and others in the industry asking her about it.

"Beyond the obvious economic harm, this was extremely embarrassing and distressing," the suit says. "But worse, to untold others in the industry and consumer base, Willis may never have a chance to fully clear her name."

Willis is seeking more than \$5 million (£3.72m) in damages, plus punitive damages.

Dior and Rae have yet to comment.

## RENTS ROCKET AS BIG CITIES BOUNCE BACK FROM COVID

Rents are rising at the fastest pace since 2008 as people rush back to city centres.

Private sector rents in the UK were 4.6% higher in September than a year before at £968 per month on average – the strongest growth seen in 13 years.

Outside of London, rents were up by 6%, marking a 14-year high, said property website Zoopla.

Rents are up most in the South West (9%) year-on-year, followed by Wales (7.7%) and the East Midlands (6.9%). As

lockdown restrictions have eased and businesses have reopened in city centres, there has been a return to more built-up areas, it suggested.

Rents in London are now starting to increase as people return to the office. Zoopla said the English capital saw prices increase by 1.6%, compared with falls of 1.0% around the start of the year.

Cities such as Bristol and Nottingham also saw the average tenants' bill go up by more than 8% in the year to September.

### Sex and City fans celebrate 'gay' Miranda

*SEX* and *the City* fans are debating online whether character Miranda Hobbes will be attracted to other women in the reboot.

Lawyer Miranda is only shown involved with men in the original series and two movies, whereas in reality actress Cynthia Nixon (above), who plays her, is a real-life lesbian.

Now the new trailer for the spin-off *And Just Like That...* has fans speculating that art will imitate life and Cynthia's character will date women.

One shot shows Miranda having what appears to be a cosy dinner with a character played by nonbinary bisexual Sara Ramirez.

A fan posted a still of it on Twitter and wrote: "They have made Miranda gay!"

Another detail that drew attention was the placement of a shot showing Miranda sharing a tender moment with a character played by Karen Pittman.

*RESIDENTS* on Ibiza, who have teamed up to kill invasive snakes which threaten the isle's native wall lizard, say they've killed about 16,000 so far this year.

By GRACE HOOPER [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)**DID you know there was an International Students' Day?**

Well, yes there is... and it's today! International Students' Day is held annually on November 17.

Originally commemorating the Czech universities which were stormed by Nazis in 1939, and the students who were subsequently killed and sent to concentration camps, it is now marked by a number of universities worldwide.

The truth is, it's not that well known over here, but in eastern Europe, International Students' Day is huge.

**Violent**

In 1989, independent student leaders together with the Socialist Union of Youth organised a mass demonstration to commemorate International Students' Day.

The students used this 50th anniversary event to express their dissatisfaction with the ruling Communist Party of Czechoslovakia.

By nightfall, what had begun as a peaceful commemorative event turned violent and led directly to the Velvet Revolution that overthrew communism.

But we've decided to mark the day by printing lots of pictures of students with their busters out. Enjoy!

# DEVIL IN A

**MASK-wearing serial killer Mark Goudeau isn't just evil, to his many victims he's the Devil incarnate.**

**This muscle-bound brute channelled a psychotic rage to murder nine victims at random, shooting them in the head, while also raping scores of others.**

**It earned him the moniker The Baseline Killer.**

**Goudeau may claim he's no monster, but he is the very embodiment of one.**

**As he sits on Death Row awaiting his final day on Earth, this is his horrific story...**

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO DEATH...**

**MARK Goudeau would have you believe he's a reformed man.**

Yes, he might have beaten a woman half to death in 1989, but he went to prison, saw the error of his ways and emerged a better person on the other side.

He had become a family man, married to beloved wife Wendy Carr and holding down a respectable job.

Attempting to convince a jury of his innocence during his trial in November 2011, Goudeau made an impassioned plea, begging: "I'm no ravenous wolf.

They've painted me out to be this monster, but I'm no monster.

"I just hope that one day you learn the truth."

But don't let him fool you. Goudeau hasn't changed one jot since his first brush with the law.

And while he still maintains his innocence, in the face of damning and unequivocal DNA evidence, he's still inflicting pain and suffering on those who survived his wrath.

This was a man born into a lower middle class family in Phoenix, Arizona, in 1964 where he was surrounded by a loving family.

He should have done well for himself.

Instead Goudeau, now 55, dropped out of college and began to enjoy drink and drugs.

## Raped

By the 1980s he had become an armed robber.

And the first hint of what he was really capable of came in 1982, when a Phoenix police report reveals shock allegations made by a female that he and his old brother Michael raped her repeatedly at their home.

This official document states that the woman in question refused to press charges and later left the Phoenix area entirely.

For seven years, Goudeau laid low. Then, in August 1989, police responded to calls of a

man beating a woman with the butt of a shotgun in the street.

It was the first of many crimes to be perpetrated by Goudeau on Baseline Road in South Phoenix, hence his later nickname The Baseline Killer.

Officers attended and found a woman naked from the waist down, blood gushing from her head.

She'd suffered a fractured skull and deep lacerations all over her body.

A court officer wrote of her encounter: "She felt she was in a room with the devil."

Goudeau somehow dodged a rape charge and instead pleaded no contest to three counts of aggravated assault.

Yet before he'd even been sentenced for that crime he'd robbed a supermarket at gunpoint.

In August 1990, Goudeau was sentenced to 15 years in prison for the assaults and 21 years for the violent robbery.

He should have been behind bars for decades. Yet, after just 13 years as a "model prisoner", he was paroled in 2004 by the Arizona Executive Clemency Board.

Just 12 months later, Goudeau embarked on his sickening 12-month spree.

On August 6, 2005, while working on a building site, Goudeau forced three teenage girls behind a church and molested two of

them. Another abduction and rape followed two weeks later.

Then he committed his first murder.

Pretty 19-year-old exotic dancer Georgia Thompson was found on her back in a car park on September 8, 2005.

She'd been shot in the back of the head, the gun pressed so hard into her skull that it had left a vivid bruise.

## Assaults

More awful sex attacks soon followed, one of which was particularly heinous.

On September 20, two sisters – one pregnant – were approached by a gun-wielding Goudeau as they relaxed in a park.

He raped one of the girls while pointing his gun at her sibling's unborn child.

By November 2005, cops were investigating a further flurry of sexual

assaults and armed robberies, all perpetrated by the same dreadlocked man wearing a floppy fisherman's hat.

By December, he'd claimed another murder victim in the form of nursery school worker Tina Washington, 39.

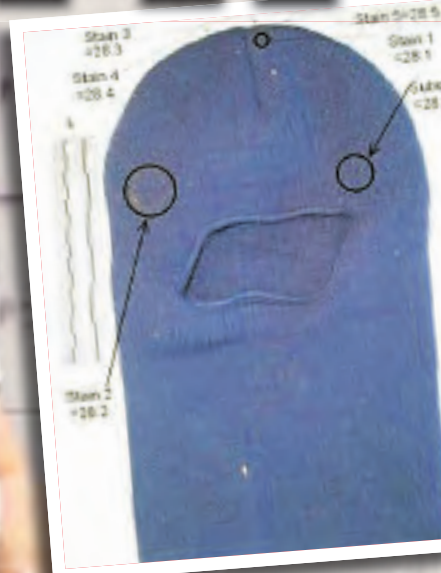

She was shot twice in the back of the head at close range.

In February 2006, he struck again, this time slaying snack truck workers Romelia Vargas, 38, and Mirna Palma-Roman, 34.

Both women, devoted mothers and described by their customers as "the nicest girls you could ever meet", had been gunned down at random.

Goudeau committed a further double murder in March 2006.

Liliana Sanchez-Cabrera, 20, and Chao Chou, 23, were making their way home after a

shift at the popular Yoshi's restaurant.

They never arrived. Liliana was shot in the head in a car park while trying to resist Goudeau's advances, while Chao's body was found a mile away.

Liliana's grieving mother, Juana, recently admitted that she still struggles to have a single happy thought in the wake of her child's death.

## Decomposed

She said: "I used to, but I don't any more. Everything is different. It's very difficult to keep on living."

At the end of March, a businessman investigated a "terrible odour" coming from the back of a row of shops.

What he found would haunt him for the rest of his life.

He stumbled upon the badly decomposed body

of Kristin Gibbons, 26. Like all the others, she'd been shot in the head.

In April came another harrowing murder.

Gilbert Martinez was just eight years old when he got home from school to find his mother, Sophia Nunez, 37, lying dead from gunshot wounds in the bath.

He dragged her out of the red water and tried to give her CPR but it was no use.

Speaking in 2013, the 17-year-old Gilbert, who is still plagued by raw nightmares, said: "Everything was locked except the garage. That's how I got in."

"I went in and heard the bathtub running. I thought she was taking a shower. I eventually found her."

"No-one knows how I feel about it. No-one has experienced that at such a young age."

In May 2006, one

unnamed woman had a miraculous escape.

She was bundled into her own car by Goudeau and, with a gun to her face, ordered to perform oral sex on him.

She said: "I realised I was going to die, so I said, 'Go ahead and kill me'."

"He said he was going to blow my brains out and my parents would read about it in the newspaper the next day."

## Misfired

"He pulled the trigger and there was a clinking noise. I realised I wasn't dead, so I got out of my vehicle and ran."

The gun had misfired. But Goudeau had one final flourish – the murder of 37-year-old Carmen Miranda, who was about to clean her vehicle at a car wash.

She was shot in the forehead, her body left sprawled in the back

seat, her eyes wide open.

In September 2006, Goudeau was finally arrested.

The breakthrough in the case came with the two sisters attacked in the park. DNA found on one of their breasts was matched with that on Goudeau's crime record.

On searching his flat, officers found a ski mask he'd worn during some of the attacks, as well as jewellery belonging to some of his victims. The ski mask also contained DNA from his victims.

In 2007, Maricopa Court found Goudeau guilty on 19 charges of rape and sexual assault, sentencing him to 438 years in prison.

It took four years for his murder trial to come to court, but in November 2011, Goudeau was given nine death sentences for his gruesome killings.

Yet, despite all the overwhelming evidence

of wrongdoing, Goudeau filed an appeal against his convictions in October last year, saying police had simply got the wrong guy.

His wife Wendy also appears to have bought into this lie.

She said: "I see Mark on TV and I can't believe it. I see him in court and I can't believe it."

## Appeals

"He's been made a scapegoat. I see an innocent person who was served up on a silver platter."

"He's not changed during his time in prison. He's still the same strong person I've known all these years."

"A death sentence is final, but this is not the end, I see appeals."

"I'm not in denial. This is a case of mistaken identity. The injustice of it all is what keeps me going."

# MANIAC CUT OFF 'DEVIL' MUM'S HEAD WITH A CARVING KNIFE

## Son then set corpse on fire

HELD: Gore

A MAN has been arrested for allegedly killing his adoptive mother, hacking her head off with a carving knife and then setting her on fire.

And he says the Holy Spirit told him she was the Devil.

Lionel Justin Gore, 34, admitted murdering his mother, Diane Gore, inside her New Matamoras home on the Ohio-West Virginia border, telling authorities after his arrest: "I cut her head off and set her on fire."

And the grisly crime took place in front of Gore's six-year-old nephew.

The victim's body was found after police were called to her home following reports it was on fire.

## Knife

Gore's young nephew told cops he saw Gore cutting at Diane's neck with a knife before he set the home alight, authorities said.

The little boy said he had to crawl out because of the smoke.

Diane's sister was outside when emergency services arrived, telling them she had seen Gore, who was "covered in blood", leaving the home.

By GRACE HOOPER  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

He allegedly told his aunt: "Get out of the way or I'll kill you next," before driving off.

Police found Diane's body and her severed head inside the home.

Authorities managed to track down Gore and got into a brief pursuit before the alleged killer crashed his vehicle.

While being treated in hospital, Gore allegedly told police he carried out the slaying because the Holy Spirit told him to, as she was the Devil.

Gore is currently being held in relation to the car pursuit.

He also faces charges of murder, arson and child endangerment.

The 32C beauty, who's from Basingstoke in Hants, said: "I started off reading *Goldfinger* because I was into Pussy Galore after watching the film. **NONE of it, ever, is anything  
to do with Islam.**

Because it's not, repeat "not", Islamist terrorists who blow people up.

And it's not Islamists who detest the West.

It's not fundamentalist Muslims who abhor women's rights, who can't get their heads around the actual fact of gay people, or the simple human ability to dress how the hell we like.

It's not Islamists who somehow keep exploding, often taking out quite a few people around them, too.

No. Not at all. It's nothing to do with them, guv.

Of course they haven't ploughed down to death innocents on several streets in France.

They certainly haven't killed a load of kids at a pop concert in Manchester.

They definitely haven't terrorised shoppers at a market in London.

And they have absolutely never smashed planes into the sides of skyscrapers in New York.

Or blown apart an embassy in Nairobi.

And, no, they did not chop the head off soldier Lee Rigby outside his army barracks in London.

**Crazed**

None of them, at all, are crazed madmen scourging the wasteland that is now Syria.

They are just mere pawns of their god.

A god you cannot ever criticise because, apparently, their god is a bit better than everyone else's.

You can't even draw a picture of their god, because if you do, they will come in and shoot you and your colleagues in your central Parisian office.

And if you criticise any of this apparently normal, peaceable, upstanding behaviour, then you know what that makes you, don't you? You're an "ist".

And some spotty little twat who is almost certainly at university or working for the BBC or *The Guardian* will remind you of it, very loudly, and

constantly. And they will keep on reminding you right up until the moment when a knapsack gets left just a bit too close to the outside broadcasting van.

Or when their Tube train blows up.

Or when their mum is sat on the top deck of a double decker in the capital that gets torn in two by a blast.

Or when your mate is in hospital giving birth and some absolute c\*\*t decides that would be the perfect spot to ignite an incendiary device.

And when we turn on the news to find out what on earth has happened, we can be assured that we won't be told anything certain.

Like, y'know... the identity of the perpetrator.

Where they're from, for instance.

Or which religion they claim to attach themselves to.

Or what it is that exercises their feverish minds.

**Self-righteous**

Or why they feel so f\*\*king self-righteous when they pull the pin on their exploding cagoules.

You can't think like that because to think like that makes you WRONG.

It makes you, the one without a bomb, a bad person.

It makes you, you filthy Western infidel, guilty.

And so it is definitely, absolutely, 100 percent, NOTHING whatsoever to do with Islam.

So stop even thinking it.

It's not allowed.

Right?

## Carer facing life for mass OAP deaths

A HOME health carer accused of killing more than a dozen OAPs is set to stand trial.

Billy Chemirmir, 48 (above), is charged with murdering 18 women and will go on trial for killing 81-year-old Lu Thi Harris.

Cops arrested him in 2018 after a 91-year-old woman told them her home help had stolen her jewellery and tried to smother her, telling her: "Go to bed, don't fight me."

Police were following Chemirmir when he threw a jewellery box from his car window.

That led them to Lu's home, where they found her suffocated to death in bed.

Although he's been charged in 18 deaths, he has reportedly been linked to a total of 24.

Chemirmir is also accused of posing as a utility or maintenance worker to gain entry to OAPs' homes.

The District Attorney's Office in Dallas County, Texas, said that it is not seeking the death penalty for Chemirmir, but life in prison without parole.

## Armed raiders arrested by cop in dentist chair

AN off-duty police officer put the bite on would-be armed robbers while he was in the middle of a DENTAL appointment.

The unnamed Brazilian cop was being examined by the dentist when the armed raiders struck.

The 46-year-old, a member of Brazil's Federal District Military Police, was forced to get out of the dentist's chair with his hands up and get to the ground in the city of Ceilandia.

When one of the thieves went to check on the cop and search his pockets, the officer wrestled the suspect to the ground, holding him at gunpoint.

A second crook then charged into the room but was also knocked to the ground after being shot and wounded.

Both robbers were then arrested.

# UP, UP AND WAHEY!

**MILE HIGH CLUB:** You too can join Captain Tony and the girls of your dream

## EVER fancied joining the Mile High Club but don't like the idea of rutting in the shithouse on an Easyjet to Majorca?

Well, this may be just for you...

Pilot Anthony Blake's job involves him aimlessly cruising the clouds in a twin-engine Cessna while, in the back of the plane, his passengers get frisky.

By ROGER JONES [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"As the plane sways," he said of the lightweight aircraft, "I often know who is where and who moved first."

For £740 couples can charter a Love Cloud jet for 45 minutes and get busy while Anthony, 51, flies them 5,280 feet above Las Vegas.

Should that not be enough time to get

your propeller spinning, sessions range up to £1,113 for an hour and a half.

Seat belts can be ditched two minutes after takeoff.

The Cessna is decked out with a bed, red satin sheets and "sex position pillow," but don't expect to get too comfy.

A twin mattress is all that will fit in the cabin.

Anthony, who goes by the name of

"Captain Tony," always wears noise-cancelling headphones on his flights and a curtain blocks his view of the action in the back.

Customers range from horny newlyweds to older couples in search of their lost mojo to a pack of swingers from Europe (six people can be accommodated per flight).

## Cheating

Anthony recalled two passengers who had caught their spouses cheating, with each other.

So the jilted pair, after each signing their divorce papers, met in Vegas without knowing each other.

Upon arrival, the man was air-hugging her and they didn't seem close.

Anthony said: "After the flight, I took photos of them with their tongues down each other's throat. He took out her breast and they both flipped the bird. Then they sent the

photos to their exes."

There was also a guy whose wife surprised him with a Love Cloud flight, but the man had been drinking too much to complete his mission and ended up asking Captain Tony to land the plane after just a few minutes.

He added: "I felt bad and said I would comp a flight for them another time."

"Next morning, he called at 9 o'clock and told me, 'Hey! My wife's girlfriend is in town. Can the three of us come on board and get freaky?'"

"After the first 45 minutes, a text came from the wife and she asked for another half hour!"

"I did that as a freebie, too. The gentleman was having the time of his life back there."

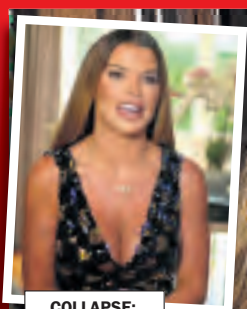

"I didn't want to screw it up."

Hot and bothered passengers have left behind all sorts of sexy lingerie and adult toys.

Anthony said he's never been invited to join in the fun, but wouldn't abandon his joystick even if he was.

He added: "It's a one-pilot plane and I can't leave the cockpit."

"I love sex, but I love flying even more."

# TANYA TITS... SORRY, QUILTS!

## Beauty leaves Real Housewives of Cheshire over health fears...

TANYA Bardsley has quit *The Real Housewives of Cheshire* following a six-year stint on the reality show.

The businesswoman and former topless model, 40, is said to have "made up her mind" and has been "really struggling with anxiety".

Mother-of-four Tanya was taken to hospital in August following a stress-related seizure which caused her to collapse while working as a model during a photo shoot.

A source said: "She will finish the current series and appear in the reunion show, but nothing more than that."

"Her anxiety got bad over lockdown and she wants to concentrate on herself."

"Her recent collapse really scared her and she knows she can't continue juggling so many plates."

"She loves the show but it is really stressful at times and it just feels like the right time for her to walk away."

# THE WORLD FAMOUS AGONY

## Page

Dear Sam,

I'm a 32-year-old woman with a bit of a problem. I have taken to going out late at night and flashing my knickers to lorry drivers.

I got so turned on by yanking up my skirt and revealing my panties as they go by. Some flash their lights and honk their horns but others stop to have some fun.

In the past three months I have been with about 20 lorry drivers in their cabs. I just can't stop doing it and some of the lorry drivers now know me quite well.

They'll actually do a detour for a handjob, blowjob or even full sex with me over my car bonnet or in their lorry cab. It's always safe sex with a condom but I'm so addicted to the thrill I'm doing things I'd never imagined.

For instance, last night I went out in just stockings, suspenders, and a coat and was serviced by three truckers at the same time.

The first one had me over the bonnet with his cock right up my arse, while another was sat on the bonnet with his cock in my mouth and the third had got down on his knees to lap and finger my pussy.

I had the most amazing climaxes. They took turns exploding in my arse, pussy and mouth. When I got home I was dripping in cum.

My boyfriend works away quite a bit, so these are the times I go out. But if he found out he'd be mortified.

I'm also worried the police will catch me one day – and if they do my world will fall apart.

What should I do?

LT, Kent

Sam says...

WHY not try a local dogging hot-spot. Better still, try and introduce your fella – slowly – to the scene.

Dear Sam,

MY missus loves me to f\*\*k her in the face – but my nads often give her black eyes as I'm pumping hard and fast in her mouth.

Every time she wants a

mouthful these days I think the f\*\*king social services are going to be round about wife-battering.

I know most fellas like the idea of putting one in the mouth, but to be honest I'd rather have her up the usual route.

What can I do?

NP, Liverpool

Sam says...

EVER heard of those knitted nut protectors or welding goggles?

## My girlfriend wants me to shag her pal

Dear Sam,

MY girlfriend has told me she wants me to shag her best mate on this girl's birthday while she watches. Her mate is well fit, with long blonde hair, massive jugs and a fine figure.

The idea does turn me on and my bird has been dirty in bed recently as she says the idea of watching me shag her mate gets her going big time.

Just last night I shagged her up the arse for the first time ever. She moaned with pleasure as I slowly slid my eight-inch

up her tight little bumhole.

It was brilliant as I watched my cock sliding in and out. I pulled just as I was about to come and she sucked me off.

But I'm uneasy about shagging her mate and I think it could ruin our relationship.

What do you think?

HR, Peterborough

Sam says...

YOU are right to feel uneasy about this. If you go through with it, you WILL damage your relationship – but you will probably have a lot of fun!

# Bi babes tease punters, then tease my todger!

Dear Sam,

**I REALLY must be the luckiest bloke in the world as I'm shagging not one but TWO gorgeous bisexual pals – at the same time**

They're both 21, at university and they like nothing more than a hot threeway session with me.

I'm 26 and I met the girls when they came into the pub I manage looking for work as barmaids.

There was only one vacancy but I took them both on as I thought a couple of great looking girls would pull in the punters.

**Wink**

Ours is a fun pub so I asked them to dress as college girls when they were on duty and they agreed with a wink and a giggle as they felt up each other's bums.

They are stunnas and the customers loved them when they saw them in their tiny mini-skirts, white open-neck shirts and uplift bras.

They also loved the fact that the girls were constantly flirting with one another and making saucy comments about what they'd be doing to each other when they got home.

I took them both out for a meal a few weeks after they started work, and during the meal the talk was so flirty and dirty I had to sit with a hard-on throughout it.

They share a house with two other lezzer girls and after we'd finished they invited me back there.

I still didn't think they had any inclination towards shagging men but to my surprise no sooner had we got indoors than they were all over me, feeling my rock hard knob through my trousers.

As they slipped their fingers into my flies I damn nearly shot my load there and then right there in the hallway.

Then we all scurried up to their bedroom, stripped off and dived on one of the beds.

First, one of them went down on me while her mate squatted over my face so that I could give her fanny a good licking out.

Then they swapped over and I was in my element as these two stunnas took it in turns to suck me off as they

probed each other's slippery slits with their agile fingers.

But the best was still to come because one of them asked me if I had ever had anal sex.

When I said I hadn't, she giggled and got on all fours while her pal lubed her up and guided my erect todger into her tighter hole.

**Thrust**

I began to thrust and she was squealing with delight.

Her girlfriend was happy too as she lay beside us fiddling with her hard little clit.

The session lasted four hours and we all climaxed several times.

Am I sorted, or what?

CD, south London

**Sam says...**

**THIS is the stuff of dreams – be sure to keep us posted.**

## Lesbos in threeway with randy male boss

Dear Sam,

ALTHOUGH I am a lesbian, and I have had a lovely girlfriend for four years, I recently cheated on her with my male boss.

We were the only ones in the office one night, he came on to me and I fancied it.

I got straight down to the bulge in his trousers.

His cock was huge and tasted better than other cocks I'd sucked before. He was the first man I'd had sex with in six years.

He pleased me like never before and I did not hesitate in gobbling down his love-juice.

My boss knows my situation and suggested a threesome with my girlfriend – and to my surprise she jumped at the chance.

He came round with some champagne and we all headed upstairs for a shower. I let him screw me from behind in the shower while my girlfriend soaped my tits.

Then he banged her doggy-style on the bed as I sucked his balls from below.

He then said he wanted to tie us both to the bed and f\*\*k us up the arse. We agreed and he tied us with my stockings and then pounded our arses.

My girlfriend says that was a one-off but I want to do it again. How do I persuade her?

DC, Cheshire

**Sam says...**

Keep plugging away. Sound like she won't take much persuading.

Dear Sam,

THE youngest brother of my hubby has turned out to be a right stud.

When we married he was a teenager but now he's in his mid-20s and he's absolutely gorgeous.

Last week I put on my sexiest undies and let my brother-in-law glimpse up my skirt when he came round to do some odd jobs on the house.

**Todger**

The next thing is, I catch him banging one off in the toilet and I tell him: "You don't have to do that."

I got hold of his massive todger and guided it straight into my soaking wet hole and we were off.

Five sweaty minutes later we were both wearing large smiles.

Before we left I sucked him off and swallowed his spunk.

I'm thinking of trying the middle brother next. What do you reckon?

GT, North Yorks

**Sam says...**

YOU'RE playing with fire and you're going to get burned.

**#MY**

**...WITH NICOLE SMITH 32C, FROM MAIDSTONE, KENT**

**IN my wildest fantasy I turn up to a sex club and straight away I put on a blindfold while a friend leads me in.**

I'm quickly stripped totally naked and strapped to a chair and I have no idea what I'm letting myself in for.

Strangers come up to me and start caressing me. I can feel multiple hands all over my body, on my boobs and across my thighs.

Fingers slide in and out of my pussy and I'm getting wetter and wetter and begging for more.

Next thing I know there is a hard cock in my mouth and I'm sucking away eagerly, while someone else is going down on me and another is licking my nipples.

I've lost track of how many hands are groping me by now.

My legs are spread apart and a man whose face I can't see enters me with his dick.

From a different direction I have another cock thrust into my mouth and a new person then penetrates my sopping pussy.

This happens again and again while people are calling me a naughty slut.

I don't know if I would ever have the guts to do this in real life, but it would be an amazing turn on to go to a club where anything goes and really lose my inhibitions.

**S**EXY Sienna Brown has revealed she has an X-rated BUCKET LIST of kinky places she'd love to BONK in!

The busty glamour babe, who boasts a 34EE top rack, has ticked off quite a few already, including in a library and on a Ferris wheel.

The Brighton beauty admits she gets a real thrill from spontaneous, risky sex, where she could get caught out.

She said: "I've got down and dirty in some crazy places."

"Me and my ex once got naughty on a Ferris wheel while on holiday in Spain!"

"Shagging in a library was one I've always wanted to tick off, too."

"I genuinely had to look something up in the quiet reference area at the back and then the bloke I was with at the time gave me a cheeky look and we got carried away."

"It was so ruddy hard to stay quiet!"

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

## KATHY LLOYD

**JOINER** Harry Ratcliffe wrote in, asking for a photo of his all-time fave glamour girl Kathy Lloyd.

Harry, 52, from Clacton-on-Sea, Essex, reckons the Liverpool lovely would be putty in his hands once he'd used one of his chat-up lines.

He said: "Kathy is gorgeous, she's got everything. And her 36Es are something else... they're extraordinary!"

"I reckon I could pull her if I give her my one-liner."

"I'd say: 'I'm good at nailing things, how about I nail you?'"

## LILLITH

**GREENGROCER** Kevin Gildroy would love to get his hands on local babe Lillith's eye-popping boobs.

The 59-year-old, from Kent, only has eyes for the Dover babe's 36D knockers.

And Kevin said he would jump at the chance to cop a feel of the Hungarian-born beauty's charms.

He said: "As a greengrocer, I handle all sorts of fruit and veg everyday."

"But Lillith's melons get my meat 'n' two veg as stiff as a rock whenever I see them!"

## DEE IVENS

**SHELF** stacker James Davies, who spends his days strolling up and down the supermarket aisles, has begged us for a photo of Dee Iven's top shelf.

James, 45, from Newport, works in his local store filling up the empty shelves but he wants to stare at the Essex glamour legend's chest instead.

He said: "I love my job and I enjoy keeping the aisles full and replenished, but I love staring at dishy Dee even more."

"She's got a lovely natural pair of 34Ds and that's a shelf I wouldn't mind filling up."

"It beats the tuna cans hands down!"

# lauren LORETTA

**HORNY** Lauren Loretta admits she's a bit of a handful in the bedroom, because she likes to wring her guy's neck during kinky sex sessions.

The beauty said that nothing turns her on more than being in control between the sheets.

And that's why she likes to wrap her slender fingers around her fella's throat while he pounds her in the missionary position.

The 32C scorcher, from Shoreditch in east London, said: "A bit of gentle strangling is so hot."

"I love getting my hands round a guy's throat, nothing too hard mind, as I don't want to hurt them!"

"There's just something really passionate about it."

"I guess it's a power thing more than anything."

NEW BOSS: Eddie Howe

## McClaren backs Ed to deliver for Toon

FORMER Toon boss Steve McClaren is backing Eddie Howe to be a major success at Newcastle.

The coach known as the "Wally with the Brolly" from his time as England coach, thinks the new Magpies coach is very sharp tactically.

The pair met in McClaren's last game in charge of Newcastle when Howe was boss of Bournemouth.

The Cherries ran out winners that day and it left an impression.

McClaren said: "What I really liked about him was he was smart tactically.

"I remember sometimes we played against them and we had great games – great games of football – and he plays football.

"He plays football how it should be played from the back, in possession, with speed, intensity, going forward, attacking.

"He always created that team at Bournemouth to get out of the Championship, but his initiatives were excellent.

### Tactics

"I remember once he was taking goal kicks and he was putting all of his players at one side of the field, say the left-hand side, but he left his right winger really isolated out on his own and every opponent left the right winger one v one.

"What the goalkeeper did was he pretended to kick to the left and, in the last seconds, changed his mind and kicked it to the right, one on one, over the full back and relied on the speed of the right winger to create opportunities for them.

"I've always remembered that and I've used the tactic since.

"I've always admired him. I've always thought he was forward thinking, but I've always liked his calmness and he'll need this calmness going into this football job."

Howe kicks off his reign at St James's Park against Brentford on Saturday.

Newcastle are yet to win in the Premier League this season and sit joint bottom of the table.

# ENGLAND SKIPPER LOVES BANGING THEM

# HARRY: I WANT MEDALS

## Goals not the only thing for Kane

**HARRY Kane says he's not bothered about breaking scoring records for England – for the moment at least.**

The Three Lions skipper has moved level with Gary Lineker on 48 after his four strikes against tiny San Marino.

Those goals were part of a 10-0 win against the country with the same population as Wisbech that saw England safely qualified for the World Cup in Qatar next year.

Kane is now one behind the great Sir Bobby Charlton and five off Wayne Rooney.

Both those legends played more than 100 times for the Three Lions while the Spurs hitman has earned just 67 caps so far.

Kane is happy to wait until he's hung up his boots to think about his place in the history books. He said:

By PAUL THOMAS

"When you're retired the records are the sort of stuff you look back on and you can be proud of.

"But when you're in the middle of everything, when you're playing, you just want to score more goals, do your best and see how far you can get.

"It's when your career is done that you really think about records and sit back to enjoy it.

"For me, it's just about the next game and the next goal now. We have a couple of friendlies coming up in March and being fit and available for them is the main thing.

"I want to keep scoring goals for my country.

"Every time I wear an England shirt I'm proud, whenever I can score goals it's one of the greatest feelings I can have in my career, so nice to be

amongst those people and hopefully we can keep them coming."

Boss Gareth Southgate thinks there is zero doubt that Kane will be England's top scorer before too long.

At his current rate of hitting the target he will score around 70 times if he gets to 100 caps.

Southgate thinks Kane does want to topple Rooney's record whatever he says.

### Ambitions

The boss added: "I think that would definitely be one of his goals.

"The remarkable thing is we haven't given him the opportunities with nights like the San Marino game too often.

"Certainly the other three games of this magnitude in this group, we didn't give him the minutes.

"He understood that, of course. He has got huge personal ambitions as well as the team ones. He showed

again the clinical nature and mentality he has got.

"There is no reason he can't pass Rooney. It's not is he going to break the record, it is when, and what might he do once he is beyond that point."

Southgate is happy England have made it to the World Cup in what has been an amazing year for the national team.

The Three Lions reached the final of the Euros in the summer and finished off with their first double-figure scoreline since 1964.

Southgate said: "The qualification was earned away in Budapest, Warsaw and Albania.

"I have to credit all our players and staff for a very good year.

"We cannot do anything about the level of opposition but the mentality and the way they applied themselves was terrific.

"They had a structure to play in

# IN BUT IT'S NOT ALL ABOUT RECORDS

**UNIMPRESSED:**

against San Marino

and were able to express themselves, and we finish the year, what's been a tough year in terms of a full World Cup qualifying campaign and a full European Championship.

"But the mentality of the team and all of the staff, they've given everything and I'm very proud of what they've done across the year."

"We have had 19 matches this season and so much to take in."

## Phenomenal

"This is a good opportunity to look at the last few months and what experience the younger players need before the World Cup."

Southgate joked that he took off Kane with 30 minutes of the San Marino game left to give Rooney a bit longer as England's leading scorer.

He said: "If we left him on another half an hour, we would have had

Wayne Rooney's family on the phone!

"He is a phenomenal goalscorer, we wanted to give him the chance and he took it well."

"I watched Lineker, I've played with Rooney and Charlton so, to be in that company speaks volumes for the quality of finisher that he is."

"He's got an insatiable appetite to score goals. If we win and he hasn't scored he's happy with the win but he's not really happy, full stop."

## ENGLAND'S TOP 10 SCORERS OF ALL-TIME

# Hampden spark to fire up Scotland

STEVE Clarke is thrilled that "everything came together" for Scotland to land a home draw for the World Cup play-offs.

The Tartan Army stunned unbeaten Denmark with a fantastic display in the 2-0 win at Hampden Park.

That made sure they finished as one of the best second-placed sides so they will play the semi of their March play-off in Glasgow.

It's the first time Scotland have won six competitive games in a row since 1930.

Clarke said: "I get criticised for not smiling enough but if you can't smile after a performance like that there would be something wrong with me."

"I'm delighted everything came together. We played good football on the front foot to try and win the game."

"It was a good night for us. I knew the players were confident and they showed it."

## Risk

"We had to dig-in but we defended well although the legs went a bit towards the end. A great night with a great atmosphere."

Clarke knows that having the play-off at Hampden makes a massive difference to Scotland's chances of making it to Qatar.

He added: "It was important to get the home semi-final."

"I took a little risk playing the boys who were on a yellow card but we wanted to finish on a high."

"We had a chance to win six competitive games in a row which

**HOME HELP:** Steve Clarke

isn't easy to do. The boys wanted to do it and they showed it on the pitch."

Che Adams was on target with a top-class finish after John Souttar had given the Scots a valuable lead just before the hour mark.

Clarke is delighted for the centre-back who has had more than his share of injuries in the past few seasons.

The Scotland boss said: "I'm so happy for him. He's had a horrendous time with injuries to come back. Even to be in the squad. He was delighted to be back and to play the way he played. Not just his goal but defensively and with the ball."

"Congratulations to John. I gave him a big hug when he came off the pitch and it was quite emotional. You understand when you've been a player yourself and you've been involved in the game for so long how difficult it is on the road back."

"I'm absolutely delighted for him."

## VAN MAN 'IDEAL' FOR RANGERS

GIOVANNI Van Bronckhorst has won backing as Rangers boss from an unlikely source.

Celtic legend Charlie Nicholas reckons the Dutchman can keep the Ibrox giants ahead of his former club in the title race.

Rangers need a new boss after Steven Gerrard left for Aston Villa. Van Bronckhorst appears to be the man wanted to fill the hotseat.

Nicholas thinks that would be a wise move. He said: "Giovanni van Bronckhorst is the sort of appointment that could help keep Rangers at the top of Scottish football."

"He seems to have done well when he was still a young coach. He has done it with style at a difficult club in Feyenoord."

"It seems he already has the Rangers fans on-side from his time as a player."

## United close in on Sevilla stopper Kounde

**MANCHESTER United are ready to launch a January swoop for Sevilla defender Jules Kounde.**

The 23-year-old has long been linked with a move to the Premier League.

He was close to signing for Chelsea last summer

By JOHN ANTHONY

but the Londoners didn't want to pay his £68m release clause.

According to reports in Spain, Sevilla are willing to lower their demands if United come calling.

They would take around £50m for the Frenchman who would boost the Reds' struggling backline. Ole

Gunnar Solskjaer would like to play three central defenders and he's looking for more quality to join Rafael Varane and Harry Maguire.

Kounde admits he was gutted at missing out on signing for Chelsea in the summer.

He said: "The failed move to London this summer hurt me a little, I can't hide

it. But it's in the past, it's a moment that I have now digested."

There is a chance that Chelsea will come in now that the fee has dropped and Antonio Rudiger is stalling on a new deal.

But United seem to be in the driving seat and could offer either Eric Bailly or Victor Lindelof to sweeten the deal.
